

Church Management Meeting Report 20250810

■ Reports and Confirmation Items

1. Kerosene Tank Damage, Rain Leaks, etc.

Rust and other impurities have been found inside the kerosene tank, which has been in use for many years. We will inspect its condition and take appropriate action.

Rainwater leaks have been observed from the chapel ceiling, along with insulation material peeling off. An inspection is planned within the year, followed by necessary repairs.

2. Notifications of Transfers In/Out and Deceased Persons

As the Kita I-Jo Church bulletin announces member transfers and the passing of individuals, it was proposed that Miyamae Church also include similar notices. These announcements will be added after confirming with the individuals or their families.

3. About the Mini Bazaar

Scheduled for Sunday, November 2nd at 10:30 AM. Filipino members will also participate. Regarding food stalls, we will confirm procedures with the public health center and proceed with planning.

Responsible persons: Ms. Aida and Ms. Maricel Oya

4. Block leader meeting

The first block leader meeting will be held on Sunday, August 17th.

5. Follow-up Items from Last Meeting

●About the Children's Cafeteria

We received materials from the person in charge at Sapporo Maruyama Church, which is currently operating a community cafeteria. We will continue to discuss its feasibility, scheduling, and operations.

●Guidance maps to the Clergy House for delivery drivers

They have been created and posted to prevent deliveries to the church/ Maria Hall where no one is present

●Church Projectors

We are still discussing projector types, installation, cost, and usability. Live streaming to smartphones is also being considered as an alternative. Requests from international members and clergy will be taken into account.

●Contact During Priest's Absence

On Thursdays (when the priest is away), calls to the church will be forwarded to a designated person's mobile phone.

■ Discussion Items
